

mobile. welcome to the app revolution.

{ DREPRODUCTIONS }

We work with you
to create the **perfect
mobile solution** for
you, your business
and your customers.

In recent years there has been an explosion of mobile technologies and web-enabled mobile devices in use. There are currently over 30 million iPhone users – and growing, all demanding the latest news, tools, and products delivered into the palm of their hand.

Authorized Apple iPhone and mobile app developer, DreProductions specializes in developing mobile applications to meet a wide variety of customer needs. Our professional services cover the entire development process, from design and planning to distribution and marketing. We work with you to produce the perfect mobile solution for you or your business.

We think its time your business or marketing campaign included a mobile app or mobile-optimized website.

CUSTOM APP DEVELOPMENT

Enso – Zen Meditation Timer, a powerful, Zen-inspired iPhone™ and iPod touch™ application specifically created to help the meditator have a mindful meditation.

- SOCIAL MEDIA AND MESSAGING
- LOCATION BASED SERVICES
- TRANSACTIONAL & SPECIALTY APPLICATIONS
- MARKETING AND RICH MEDIA EXPERIENCES
- INFORMATIONAL SERVICES

MOBILE OPTIMIZED WEBSITES

Displaying a scaled-down version of the clients website, visitors can still get relevant information about the company from the convenience of their mobile phones. Mobile sites utilize cutting-edge development that detects if the user is using a web-enabled mobile device and automatically redirects them to the mobile version of the website.

ABOUT DREPRODUCTIONS

Services

app development

DreProductions can take an initial goal or concept and develop a fully-functional mobile application. We have a team of highly skilled mobile app developers that are able to create information-based, location-based, transactional, social media, marketing and mobile games for a variety of business applications.

support

DreProductions will continue to work with you after the initial app release and continue to provide services and support. We work to assure the highest levels of customer satisfaction and product quality by providing application improvements and software updates.

distribution

DreProductions is an official Apple iPhone Developer, able to quickly submit your application for AppStore inclusion. Additionally, marketing the product by developing a promotional campaign, including; promo sites for the app and a custom designed AppStore product page, raising product awareness and increasing sales.
